SUMMARY

Web Developer with hands-on experience in HTML5, CSS3, JavaScript, Python, and Django. Currently working as an Associate Software Engineer at Fantech Labs, building responsive interfaces and strengthening backend skills through Django REST Framework. Seeking to grow into a full-stack development role.

EXPERIENCE

Fantech Labs | Associate Software Engineer

Jun 2026 – Present

Strengthened core front-end skills (HTML5, CSS3, JavaScript) through hands-on practice, building responsive websites with interactive UI animations. Implemented client-side form validation using JavaScript and gained exposure to team coding workflows and best practices.

The Concept Solution | Intern web developer

Feb 2023 - Jun 2024

Built foundational programming skills starting with C++ logic and problem-solving. Practiced HTML5, CSS3, and JavaScript by building multiple static websites, focusing on responsive layout and clean UI design.

SKILLS

- **Languages:** JavaScript, HTML5, CSS3, Python, C++, SQL
- **Frameworks/Libraries:** Django, React(basic), Bootstrap, NumPy, Pandas, Matplotlib.
- **Databases:** SQLite, MySQL (basics)

PROJECTS

Final Year Project: AI-Based Crop Disease Detection & Treatment System

Developed an AI-driven system using deep learning to identify diseases across 4+ plant varieties, with an integrated automated treatment recommendation model and a web dashboard.

School LMS

Django | HTML | CSS | Bootstrap 5

Built a multi-page school management portal front-end with basic Django integration for data handling.

E-commerce Web Application

Django | SQLite | JavaScript | HTML5/CSS3

Made a web store with validation, dynamic catalogs, and custom shopping cart logic for real-time inventory management.

Smart Stick for the Visually Impaired

C++ | Arduino | Embedded Systems

Programmed real-time obstacle detection using ultrasonic sensors and C++ with low-latency voice/buzzer alerts for independent navigation.

Zeeshan Ali Portfolio | HTML5, CSS3, JS | Live Responsive multi-page portfolio site for a designer client.
